

site map planning tool

integr8 group business tools

Use this tool to map out the structure of your website content. In the first column record all of the necessary main menu headings (e.g. home, about, services etc) and in the second column record all of your sub menu items. Please see below an example of how to use this form

your company name:			
main menu item	secondary menu item	person to write content	content required by
e.g. about us	e.g. about us	e.g. john smith	e.g. 01 july 2012
	e.g. meet our team	e.g. sally jones	e.g. 17 july 2012

Please fill out the form below

your company name:
